Summer Programming:

LearningWorks Summer Camp is going into its 4th year in South Portland! We are now officially enrolling, and want to update you on the following information:

- Summer Dates:
 - Start: June 27; End: August 10
 - Monday-Thursday
 - No Program on July 3 and 4
- Program Time: 12 – 3:15pm
 - For students participating in other district programming (Camp Jumpstart, etc), LearningWorks Summer Camp helps to extend to a full day of programming.
 - Transportation, lunch, and snack included.

What is LearningWorks Summer Camp?

It's an engaging and fun way for kids to keep learning over the summer! Our program includes:

- Science and engineering activities
- Daily club activities that students get to choose
- Interesting field trips and special guests connected to what we are learning
- Plenty of time for socializing and fun
- A safe and structured environment

Feedback Please!

Last month we sent home a feedback form. If you haven't yet, please return it! If you need a new one, please contact Diane.

New Unit:

To the Rescue: Engineering Aid Drop Packages

While travelling in Thailand, Jacob and India learn that monsoon rains can cause severe flooding that cuts people off from important supplies. Students will help Jacob and India engineer "aid drop packages" that can be dropped from an aircraft, protect what's inside, and are easy to find once they reach the ground.
