

LearningWorks' commitment to our growing New Mainer community - both children and adults - is longstanding. For many years, we have provided class-based instruction and one-on-one tutoring for adult English learners through a variety of different programs. This fall we will implement more comprehensive and responsive English Language services to better serve our New Mainer community.

If you would like to find out how to become a student or a volunteer please call me at (207) 775-0105 or send me an e-mail: thall@learningworks.me

Sincerely,

A handwritten signature in cursive script that reads "Teyonda Hall". The signature is written in black ink and is positioned below the word "Sincerely,".
