3:50 - 4:50 Learning Block
4:50-5:00 Clean Up & Dismissal

WHAT IS LEARNINGWORKS AFTERSCHOOL?

LearningWorks Afterschool is a hands-on, project-based afterschool program focused on STEAM (Science, Technology, Engineering, Arts, and Science) education. LearningWorks Afterschool is specifically designed to give students a positive learning experience that fosters **excitement about learning** and contributes to their **confidence** and **success** in school!

LearningWorks Afterschool provides opportunities *every day* to practice and reinforce skills in **reading** (fiction and non-fiction), **writing** (science notebooks), **math**, **speaking/listening**, and **vocabulary**.

Get ready for more fun with...
"Engineering Adventures"
from the Boston Museum of Science!

Students will participate in "engineering challenges" to build skills in:
Problem solving Teamwork
Communication Creative thinking

Students will learn:

- How to use the Engineering Design Process to solve problems
- Engineers design technologies to help people and solve problems
- They have the potential for designing/improving technologies
- They, too, are engineers!

Note: LWAS does not offer individualized homework help or tutoring. At the site coordinator's discretion, staff may provide opportunities for students to work on their homework during student choice time. Our main goal is to provide additional learning opportunities to students through critical thinking activities and projects - in order to build a variety of academic skills and confidence in learning.

WHAT ARE WE LEARNING?

"Catching the Wind: Designing Windmills"

We are working hard on another fabulous Boston Museum of Science *Engineering is Elementary* unit.

Students are learning about **air, weather, and mechanical engineering!**

In this unit, students explore how common machines such as mechanical pencils and egg beaters work, then use their mechanical engineering skills to design sailboats and windmills that catch the wind.

WHAT IS LET'S GO! 5210?

Let's Go! is a nationally recognized childhood obesity prevention program implemented throughout Maine. LearningWorks is a partner with Let's Go! Because we believe in positively changing our afterschool learning environment to promote healthy lifestyles for our students!

- 5** or more fruits & vegetables
- 2** hours or less recreational screen time*
- 1** hour or more of physical activity
- 0** sugary drinks, more water

*Keep TV/Computer out of the bedroom. No screen time under the age of 2.
