Dear LearningWorks AfterSchool Families,

LearningWorks AfterSchool is entering our 4th year of programming at Waterboro Elementary School! Waterboro Elementary School partnered with LearningWorks, a Portland educational non-profit, and received a 21st Century Community Learning Center federal grant in 2015. Since 2015, the after school and summer program has provided free extended learning opportunities to 250+ students.

The high quality after school program strives to provide academic and social programming for 2nd-5th grade students to gain confidence and skills to become **productive, empowered learners and leaders.**

We are excited for another fun year!
-LearningWorks AfterSchool Team

VOLUNTEER OPPORTUNITY

Waterboro Elementary School and LearningWorks is partnering with the United Way to provide additional reading support to students. We are in NEED of community volunteers for both the school day and after school.

Who: Volunteers interested in supporting literacy in York County for elementary school aged students

What: One hour a week (mandatory) reading with students

When: Monday-Thursday in the afternoon

Where: Waterboro Elementary School

Why: 2 out of every 3 students in Maine are reading below grade level by 3rd grade

Interested? Contact Jason Ketterick at

(207) 985-3359 or jketterick@buildcommunity.org
