BLAST Summer Program:

The summer program will be held *5 mornings per week for 4 weeks*. The first day of the program is **Monday, July 8** and it will run Monday-Friday until Friday, **August 2**. The schedule is 8:00-12:00 with transportation, breakfast and lunch, and field trips provided at no cost to families. This summer we will use the [Boston Museum of Science Engineering is Elementary Unit](#) to study forces, balance, and mechanical engineering by exploring and building bridges. If you have not received an enrollment form, please contact Rebecca Cote.

If you have not taken the [BLAST parent survey](#) please take a few minutes to do so. Thank you!
