Memorial Day May 27 	May 28 Crazy 8s Math Games & Multicultural Art Activities	May 29 STEM	May 30 <b>Last Day of BLAST!</b>	May 31 NO BLAST

If any parents/grandparents would like to join us for the bowling field trip please get in touch. We would love to have you!

The Last day of BLAST is May 30. It's been a wonderful year. Thank you for sharing your kids with us.

### BLAST Summer Program:

The summer program will be held *5 mornings per week for 4 weeks*. The first day of the program is **Monday, July 8** and it will run Monday-Friday until Friday, **August 2**. The schedule is 8:00-12:00 with transportation, breakfast and lunch, and field trips provided at no cost to families. This summer we will use the [Boston Museum of Science Engineering is Elementary Unit](#) to study forces, balance, and mechanical engineering by exploring and building bridges. If you have not received an enrollment form, please contact Marci Dionne.
